

The Blood Countess: Ilona Monologue

Ilona

It is.. it was.. it...

It was too much! Don't you see? It was too much death. We would be next. After the peasants of the town – all of the young girls of Transylvania – were gone. Dead or dying in your dungeons. Then it would be us. The servants. Then it would be the nobility.

But she was your mistake! She was of noble blood. You couldn't see with all your bloodlust! You were blood blind! Her father was a nobleman. Your precious János Ujvary had failed you. He brought you the illegitimate daughter of your very own blood and it was she who convinced the Governor and he, the governor, your own cousin, convinced the King.
